INTERNATIONAL TRADE SHOW / CONGRESS
FOR GLOBAL RISKS MANAGEMENT

HEALTH / SAFETY AT WORK • FIRE SAFETY • SECURITY / MALICIOUS ACTS • URBAN SAFETY

Preventica Congresses / Trade Shows have regularly gathered in France since 1997 and in Morocco since 2014, all the actors of the Prevention of Risks in professional environment. **The creation of a large Preventica event in Morocco is the response to the expectations expressed over the years** by a growing number of visitors from Maghreb and Sub-Saharan countries.

Préventica Morocco: the annual meeting of professionals Health / Safety • Security

Each year, Casablanca, the economic capital of the Kingdom of Morocco, hosts Préventica for its Congress / Exhibition dedicated to global risk management, real crossroads of meetings between professionals. This 3-days event, which brings together institutions, companies, local authorities and field experts, offers in one place:

1 An innovative professional concept on the themes of Health / Safety at work and Security of the organizations (good practices, materials, training...)

1 EXHIBITION

A reference meeting platform that promotes new business opportunities

1 CONGRESS

Experts conferences for **thinking, information, awareness and training**

2 An unprecedented conference program in Morocco framed by representatives of institutional partners according to national priorities, then built with Moroccan and international experts, largely focused on issues specific to the African continent: regulations, particular risks...

3 A unique opportunity to develop qualified and constructive business contacts thanks to the presence of all decision makers in Occupational Health / Safety and Security.

3 days to train, get information, meet experts and take advantage of business opportunities in a unique place

● Custom advices ● Innovative solutions ● Business meetings ● Experts conferences & feedback demonstrations ● Group visits ● Awards ● Convention signatures ● Many highlights...
